

Dear Binks Families,

PTA helps parents, students, school staff, and communities work together to share ideas about programs and activities that benefit children. With over 5 million members, the National PTA is the largest child advocacy group in the nation! Our affiliation with the National PTA also helps us to meet our criteria as a Five Star School. The number one reason to join PTA is to benefit your child and/or your students. In doing so, you also help your school. **Please join by filling out the attached membership form below.**

We encourage every member of your family, your friends and neighbors, and businesses in the community to join PTA. The larger our membership, the louder our voice when advocating for issues pertaining to children and education. If you would like more information, contact the PTA VP of Membership Angelle Gibson at Memberships@binksforestpta.com.

Sincerely,

Maureen Alvarez, Binks Forest Elementary School PTA President
